PROFESSIONAL SUMMARY

Marketing Designer & Creative Strategist specializing in **DTC, e-commerce, and premium consumer brands**. I bridge the gap between high-end aesthetic identity and **data-driven performance**, designing **conversion-optimized landing pages** and scalable creative assets. With advanced proficiency in **Figma** and **UI/UX** best practices, combined with an **AI-assisted workflow**, I accelerate production and iteration speed while maintaining absolute control over art direction and brand consistency.

SKILLS & TECH STACK

- **Strategy & Analytics:** Creative Strategy, CRO, A/B Testing, Google Analytics (GA4), LTV & ROAS Optimization.
- **Design & UI/UX:** UI/UX Design, Landing Page Design, Brand Identity Systems, Direct-Response Creative, Art Direction.
- **Platforms & Tools:** Figma, Adobe CC (Photoshop, Premiere, After Effects), Meta Ads Manager, Shopify, Klaviyo.
- **Web & AI Tech:** HTML/CSS, Vercel, Framer, Midjourney, ElevenLabs, Claude.

PROFESSIONAL EXPERIENCE

Freelance Marketing Designer | Self-Employed

Jun 2020 – Present | Brazil – Remote

Over the past 5+ years, I've partnered with agencies, startups, SaaS companies, and e-commerce brands, creating strategic design solutions that strengthen brand positioning and support business growth.

- **Brand Identity:** Lead end-to-end projects as a solo designer, developing logos, typography, color palettes, and full brand guidelines (including a comprehensive manual for Lumiar, a psychoanalysis consultancy).
- **Landing Pages & CRO:** Architect and develop high-converting, mobile-first web pages with custom CSS, applying rigorous **UI/UX** best practices. Developed a dynamic 6-section page for an aesthetics clinic featuring interactive carousels and marquee banners.
- **Performance Creative:** Produce AI-generated VSLs (Video Sales Letters) for international wellness brands (e.g., Fem8) and design high-impact corporate presentations for B2B companies (e.g., Tivea Geradores).

Creative Strategy & Performance Designer (Independent Contractor) | R4 Assessoria

Apr 2026 – Present | Itapema, SC – Remote

- Spearhead creative strategy for paid media campaigns (**Meta Ads Manager, Google Ads**) across real estate, labor law, and hospitality, successfully driving down the average CPA for key clients through iterative, data-backed **A/B testing**.
- Revamped and took full ownership of the agency's internal social media presence, significantly accelerating audience growth and engagement through a cohesive design and content strategy.
- Partner directly with traffic managers to translate performance data into new visual angles, while also writing compelling direct-response ad copy and video scripts.

Brand & Creative Designer (Independent Contractor) | Mizz Dermocosméticos

Feb 2026 – May 2026 | Balneário Camboriú, SC – Remote

- Spearheaded the visual rebrand and creative strategy for a rapidly scaling dermocosmetics e-commerce brand, supporting a successful product launch that coincided with the client doubling production capacity.
- Slashed traditional product photography costs by an estimated 60-70% by integrating AI-generation tools into the workflow, meticulously art-directing and manually refining assets for premium brand alignment.

- Designed, developed, and deployed a high-converting landing page via Vercel, implementing continuous **A/B testing** to optimize the **UI/UX** and map the customer journey from ad touchpoint to final conversion.

Marketing Designer (Independent Contractor) | V4 Company

Apr 2025 – Dec 2025 | Brazil – Hybrid

- Operated as the sole Marketing Designer within a high-performance squad at one of Brazil's largest marketing agencies, successfully managing end-to-end creative execution for 18 simultaneous enterprise accounts across B2B and B2C sectors.
- Translated real-time paid media metrics (CTR, CPC, CPA) extracted from **Google Analytics (GA4)** and **Meta Ads Manager** into iterative creative optimizations, ensuring assets met aggressive CPA targets.
- Designed and launched lead-generation creatives and landing pages for the real estate sector that directly contributed to a R\$ 700,000 property sale.
- Led comprehensive brand identity overhauls and developed high-stakes corporate presentations and pitch decks for client meetings and strategic project alignments.

E-commerce Founder & Creative Lead | Independent Shopify Business

Jan 2021 – Dec 2022 | Remote

- Operated a profitable dropshipping **Shopify** e-commerce business, managing end-to-end operations spanning multiple niches (sports apparel and imported fashion).
- Directed and executed all performance creative and paid media buying (Meta Ads, Google Ads), directly linking design and copy decisions to store revenue and customer acquisition.
- Designed and continuously optimized the storefront **UI/UX**, applying CRO best practices, **A/B testing**, and retention strategies (e.g., **Klaviyo**) to maximize the return on ad spend (ROAS).
